Deanne Herman Celebrates Five-Year Anniversary with Practical Components

LOS ALAMITOS, CA — July 2010 — Practical Components Inc., a leading international distributor of mechanical IC samples or “dummy” components and SMD production tools and equipment, announces the fifth anniversary of Deanne Herman.

Deanne is Practical Components’ purchasing manager and is responsible for numerous duties including building and developing relationships with key customers, tracking purchasing activity and measurements, forecasting procurement needs, and implementing procurement strategy and policies. Prior to joining Practical Components in 2005, Deanne worked for a large medical supply company as a customer service representative.

“Deanne is a true asset to Practical Components. She is organized, professional and an integral part of our success. We are fortunate to have her as part of our team and we look forward to celebrating this milestone accomplishment with her,” said Kevin Laphen, Practical Components’ President.
